

Winterising and Servicing Price List

Winterising Rates

This includes: fuel treatment, grease and lubricate, general health check and 'fogging' of engine to prevent corrosion as necessary.

Up to 9.9 hp £49.00

15 - 60 hp £74.00

70+ hp £92.00

(Winterising costs are free with a full service)

Recommissioning an engine ready for the season is charged at standard hourly rate and normally takes around an hour dependant upon make and model.

Average Annual Service Rates

Please note that the below are indicative costs for labour, as each engine shall be priced individually taking into account age, condition and pre-existing engine issues. Please contact us to discuss your requirements and we can provide an accurate estimate.
